Deputy Commissioner's Office

Dated Mysore June 9 1896.

To

The Secretary to the
Government of Mysore
Revenue and General department

Sir,

In the Correspondence ending with the Government Order No. 5777/340 (34) of the 3rd January 1896, it was stated that, as directed in Government Order No. 2365-6 (26) G. F. 112.92.93 dated 19th June 1895, the loan of 53,640 rupees made to Sowcar Veerammachari might be raised to rupees 60,000 by paying him the balance of rupees 6,360, if the value of the houses built by him at Mysore for Weavers, and for which the advance was made amounted to rupees 65,854. But as the value of those houses amounted only to rupees 61,967 as reported by the Executive Engineer of the Mysore division, in his docket No. 81 of the 27 January 1896, no further advance could be made. The Sowcar wanted the value of the materials lying on the site to be also taken into account. But I told him that there was no authority to do so. The value of the materials is rupees 3915 as per said docket of the Executive Engineer. According to the said Government order of the 19th June 1895

65854
61967
3887

1895, the Sowcar has to pay rupees 40000 on the 30th of this month towards the liquidation of the advance. The Comptroller has, in his docket No 64 of the 4th June 1896, asked me to collect it punctually; but the Sowcar says that as the loan was not raised to rupees 60,000, he cannot be called upon to pay it. He prays that the loan may be raised to rupees 60,000 on the strength of the valuation of the houses and of the materials on site. If that be done he says he will pay the said instalment of rupees 40000. I solicit very early orders in the matter.

SIR,

With reference to your do Ref No 10811 (36) A.J. 81.95 dated the 13th June 1896, I beg to State that the materials referred to are wooden rafters, beams, poles, planks, door frames, posts, tiles, bricks, bamboos and iron articles such as hinges, chains, bolts, nails &c required for building purposes. They have been brought and stored on the site of the weaver's lines, for the purpose of building the remaining houses. Sowcar Veeravachari says that he will make use of these articles and proceed with the work of the remaining houses if further advance be made to him to make the total advance amount to Rs. 60.000.

Sir,

I have the honour to submit herewith a petition addressed to the Governor in Council by the Ryots of Kalingapatnam in the Ganjam District praying that the Government will be pleased to grant them a remission of the assessment on the lands which have been washed away by the sea.

2. The petitioners state that the sea has encroached upon their lands to the extent of 350 acres and that the assessment on the same is Rs. 349-6-0. They also state that the Tahsildar has refused to grant them remission on the ground that the Board's Standing Order No. 381 prohibits the grant of remission in such cases.

3. I am to state that the Board's Standing Order No. 381 was issued in G.O. No. 1 dated 1st January 1894 and that it has been in force for a long time. The Board are of opinion that the petitioners' request should be granted and that the Standing Order should be modified accordingly. The Board recommend that the petitioners be granted remission of the assessment on the lands which have been washed away by the sea, and that the Standing Order No. 381 be modified so as to allow remission in such cases.

4. I am to request that the petition may be laid before the Governor in Council and that the orders of Government may be communicated to the Board.

I have the honour to be,
Sir,
